The reply filed on 12/15/00 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's amendment was not entered, as there seems to be great confusion over claim numbering. As set forth in the restriction requirement, the designation "6a" is not proper in US Practice, and was renumbered as a separate claim "7" This results in the renumbering of the following claims as well. As set forth previously, the numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims 6a-18 have been renumbered 7-19.

Applicant should renumber their own files to correspond to these numbers, and then resubmit a proper election of claims as set forth in the restriction requirement, identifying the proper group, and/or a proper cancellation of nonelected claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
